VFW – Unmet Needs <https://www.vfw.org/assistance/financial-grants>

Unmet Needs is here to help America's active-duty service members (to include activated Guard/Reserve members) and their families who have run into unexpected financial difficulties because of deployment or other military-related activity or injury. The program provides financial assistance up to \$2,500 to assist daily necessities in the form of a grant – not a loan – so no repayment is required. To further ease the burden, we pay the creditor(s) directly.
